

## Hartman *for* Congress Leadership Program

---

Christina Hartman is running for Congress because she believes that communities are about taking care of our family, our friends, and our neighbors. Christina understands that a commitment to the community must start with the next generation. **Her campaign believes that by empowering students and community members through its Leadership Program, young people in the community -- Fellows -- will have the opportunity to strengthen their understanding of the electoral process, develop leadership skills and actively engage in public service.**

Campaign fellows will assist with campaign operations across the district. **Fellows will:**

- Recruit and train local volunteers to work together to host phone banks, canvasses, and events
- Keep campaign offices running at full capacity by assisting with field and communications efforts
- Organize voter registration drives and other campaign events
- Maintain the campaign's database

With a focus on community organizing, direct voter contact, and *GOTV*, the Hartman for Congress Leadership Program begins on **October 4<sup>th</sup>** and runs through **Election Day, November 8<sup>th</sup>**. The deadline for interested applicants to apply for this session is **Friday, September 30<sup>th</sup>**.
