My name is Christopher Kowrdovich and I am a candidate for the Pennsylvania Democratic State Committee. Prior to my involvement in the Democratic Party, I was a medic in the Pennsylvania National Guard and deployed to Iraq. When I returned home, I proceeded to earn a degree in Organizational Leadership at Pennsylvania State University. My involvement in the Democratic Party began by knocking doors for President Obama's reelection campaign in 2012. Since then, I have immersed myself in the Chester County Democratic Party by working with a variety of campaigns, managing social media accounts and serving on the Chester County Democratic Committee as an at-large member. It is my intention to continue serving and leading with a voter-centered approach.

Beyond Chester County, I have done extensive work with the Young Democrats of America (YDA). Currently, I am the Chair of the YDA Veterans & Military Affairs Caucus. In my role as Chair, I preside over meetings, serve as the official spokesperson for the caucus while representing the caucus before the YDA Executive Committee, Democratic National Committee (DNC), and a number of other national organizations.

Additionally, I ran a series of coordinated efforts with YDA and the DNC including statewide phone banks for the Doug Jones for Senate campaign during the Alabama special election and most recently operated as a liaison between national organizations and Pennsylvania Young Democrats to assist in electing fellow Young Democrat Conor Lamb to Congress in the PA-18 special election.

#### **Campaign Pillars:**

- **Engagement:** Taking a bottom-up approach to actively listening to Democrats in Chester County.
- **Accountability:** Being present to represent your interests at every State Committee meeting and ensuring the party is properly addressing your concerns.
- **Leadership:** Proven leadership in the military, academic background and the Democratic Party.

I wish to pursue a rigorous grassroots approach to our organizational efforts, and if you vote for me I promise to uphold and prioritize these values as a Chester County delegate to the Pennsylvania Democratic State Committee.
